

Important things to know about our Renovation

- The renovation will begin on Monday January 30, 2017 and will be complete in June of 2017.
- Most work will take place between 6:00 AM and 2:30 PM Monday through Friday, excluding holidays.
- We will send out a memo each week with a brief description of what we are doing and where we will be working.
- The contractors will be using the gravel parking lot at the rear of the building. Please do not use this parking lot during daylight hours Monday through Friday. If, in the evenings and on weekends, the paved parking lot is full, you may use the gravel parking lot but you need to be very careful.

- Please do not enter the areas of work. These areas are unsafe.
- Please do not ask questions or give directions to any of the workers. It is important that we allow the contractors to be productive while they are in our building.
- If you have an immediate concern, please call the church office. If you have a question or suggestion, please call Maureen Harbour in the church office at 703-430-6455 or at maureen.harbour@sterlingumc.org.
